

2025 PROMOTION

KPMG Next Gen Riders Program

Terms & Conditions:

Riders must be 30 and under at the time of registration.

Calculation: Route Minimum minus Rider's current fundraising total at the time of completing Online Check In.

The fundraising credits will be loaded onto recipients' fundraising pages post-Ride event weekend and prior to any Deferred Self-Pledge (DSP) charges if applicable. Therefore, if a participant has not reached their minimum by event weekend, they will need to complete a DSP during their Online Check In. At the time of the DSP deadline – 60 days post-event – the \$500 will be added to the participants' total fundraising, and the DSP will be adjusted accordingly.
